MISCELLANEOUS ACTION

Response to Amendment

1. The reply filed on September 23, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

First, the response includes a proposed substitute drawing but does not include a proposed drawing change showing the proposed changes in red ink or otherwise highlighted as required by MPEP 608.02(v). (It is noted that this is necessary so that the PTO Draftsman, who reviews only the drawings, can readily review the changes). To expedite matters, applicant may send a copy via fax to the fax number for formal papers listed below (the proposed changes should be circled or the like so that they are highlighted on the fax copy).

Second, the objections to the specification have not been addressed.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
